.....EDITOR'S NEWS.....

Hi!

Welcome to all new members and to all of those who have re-newed. This issue starts our 13th year of OLL. We have part of the Texas census here and will conclude it in the next issue. It's a large one for sure! Had to hand copy it first, and it took me three days to do just what's in this issue!

This issue is running a little late due to my helping my daughter help pack their things for a move to far West Texas. It's a move up for them, and I wish them the best but I sure will miss my granddaughter. If I owe anything to anyone, it will be on it's way shortly. Thanks for waiting.

We need material for the next issue and would appreciate any thing that you'd care to contribute. If you're out traveling, copy those LONGS in the cemeteries, in marriage books at the court house, also wills, deaths, queries from newspapers (those that have queries) and any LONG material. If it's not published in OLL, it's put into the master file for reference for future use. Have a nice summer and we'll see you again in August.

BILL LONG moved from Tx. to Ok. sometime in the late 1800's or early 1900's, settled on a farm near Elderado, Ok. RAYMOND contacted them there in 1904 when WILL LONG died. BILL LONG took VICKIE, DORA and MAE to live with them in Ok. LAURA was already married (name is not known). Later we heard from MAE that she married a man named Puliam

(cont. next page)

and, that they had one daughter. That was in the early 1930's but we heard later that she died.

It was RAYMOND'S mother's brothers and sister and grandmother that helped raise him till he married. His sister LAURA offered to take him and send him to school and educate him but his uncles Reynolds wanted him to come to Oklahoma to be a cowboy and ranch so he went. Finding it hard to get into ranching, he went to railroading, working on farms or whatever he could find to make money.

Would appreciate any help with this line, Evelyn Wade found the marriage date of W. A. LONG and Sadie Reynolds 30 Dec 1880 Denton Co., Tx.
