ALFRED LONG

(JAMES) ALFRED LONG, parents unknown, was born in North Carolina on 17 Nov 1800. He married Mary Thompson on 4 Aug 1826, in Randolph Co., In. He purchased land here in 1827 and sold land in 1831. Both ALFRED and MARY signed with an "X". There is a family tradition, though no proof, that the family moved back to NC for a few years, possibly after 1831. ALFRED and MARY (Thompson) LONG were the parents of WILLIAM, b. 18 Aug 1831, in Randolph Co., md. Antoniette Berebscot 21 Sep 1860; d. 11 Mar 1921 in Huntington and JOHN, b. 19 Sep 1833 in NC by one version, in SC by another; a blacksmith and farmer-never married; d. 27 Dec 1924 Mt. Etna, Huntington Co., In. MARY apparently died and ALFRED married Lurana (Rainey) Jackson 24 Dec 1835. She was said to have been a native of NC also, and on one document is listed as "Lurana Drover".

ALFRED, possibly back in In. after a few years in NC, purchased land in Randolph Co., In. again in Aug of 1837, which he sold in Nov of 1837, this time signing his own name and Lurana's. He was listed as a farmer in the 1840 In. census, still in Randolph Co., but moved his family to Polk Township of Huntington Co., In. 1846. Lurana died there 7 Mar 1872 and ALFRED died 4 May 1878. They are both buried in Polk Township, Huntington Co. The children of (JAMES) ALFRED and LURANA (Jackson) LONG were:

1. LESSEL, b. 20 Feb 1838 Randolph Co., m. Mary (Mollie) A. Thomas 4 children; LESSEL wrote an account of his captivity in the Civil War called 12 MONTHS IN ANDERSONVILLE, a regionally popular account; d. 30 May 1915 Huntington Co.
2. JAMES, b. ca 1839-40; m. Flora F. Trussler 12 Sep 1878; no children.
3. ELIZABETH, b. ca 1840
4. EDWARD, b. 11 Jan 1843 Randolph Co., m. Josephine Frame 26 Aug 1875
5. CHARLES MORGAN, b. 10 Aug 1845 Randolph Co. (see below); identical twin of ROBERT MITCHELL, m. Louisa Bryan Cole 5 Oct 1871 (see Cole file); d. 5 Jun 1919 Andrews, Huntington Co., In.
6. ROBERT MITCHELL, b. 10 Aug 1845; m. Hannah Reed 14 Nov 1872; he was a plasterer and a bee-keeper; d. 13 Apr 1931
7. AMANDA, b. 1847 Huntington Co; m. J. S. Jennings; d. 21 Jun 1878 at age 29 Huntington Co., In.

CHARLES MORGAN LONG

CHARLES MORGAN LONG, identical twin to ROBERT MITCHELL LONG, was born 10 Aug 1845 in Randolph Co., In. His parents were ALFRED and LURANA LONG. "MORG", as he was called, was a blacksmith. He married Louisa Bryan Cole (called Ida) on 5 Oct 1871, in Andrews (then Antioch),

(cont. next page)

Huntington Co., In. She was the daughter of Frederick Mortimer and M Martha Ann Dale Cole (see Cole). The family moved to the city of Huntington in 1888, where CHARLES died 5 Jun 1919. Louisa died ??????. The couple had two children:

1. ERNEST DALE, b. 5 Jul 1782 (see below); md. Del Mina Goff 31 Oct 1902 in Angola, In; d. 3 Aug 1966 in Jackson, Mi.
2. BESSIE MAE, b. ??????, never married.

ERNEST DALE LONG

ERNEST was born 5 Jul 1872 Andrews, Huntington Co., In. His parents were CHARLES MORGAN and LOUISA BRYAN (Cole) LONG. ERNEST attended the local public schools through the 8th grade, working a J. A. Ivy's General Store after school hours. After he had finished his schooling, ERNEST worked in the grocery store of his uncle, LESSEL LONG. The family moved to Huntington in 1888 and ERNEST worked as a clerk in both the National and Exchange Hotels in that city, until 1892. At the age of 20, he enrolled in Tri-State Normal College in Angola, having made arrangements to attend 'til his funds run out. ERNEST remained at Tri-State for 6 months, returned to hotel clerking for 7 months and finally went back to Tri-State. He graduated, as valedictorian, with a BA from the 3 year Classical Course in 1896.

ERNEST had preached his first sermon at South Scott Church, Steuben Co, In. on 26 Nov 1893, and from that time on he (in his own words) "preached my way through school, visiting churches in Hamilton (In.), Metz (In.) and Edgerton (Oh.) every two weeks. To these patient and long suffering bretheren I owe a great deal-more than I can express. Their kindness toward their 'boy' preacher I shall never forget. I loved them-and I believe they loved me for my work's sake." ERNEST preached the sermon for the funeral of his grandfather, Frederick Mortimer Cole, in 1903.

ERNEST spent 1896-98 at Hiram College in eastern Ohio, while doing 'itinerant' preaching at Southington and Columbiana. He received another BA in 1898, afterwards preaching in Edgerton and Farmer, Oh. and spending more time with his books and family in Huntington.

ERNEST taught Latin at Tri-State College, Angola, In. from 1898-1904. On 31 Oct 1902, he married Del Mina Goff at Angola. She was born 30 Jul 1882, the daughter of Leonard Adelbert and Anna Malinda Fairfield Goff. (see Goff and Fairfield).

ERNEST left Tri-State and entered the University of Michigan in 1904, as a graduate student in Latin and Psychology, then spent 6 months as a graduate student at the University of Chicago. He returned to Tri-State in September of 1905 and resigned in 1906, planning to attend Butler University. When he discovered that the courses he wanted were not available, he spent 7 months preaching at Atlanta, In., in the Christian Church. In the fall of 1907, ERNEST entered Indiana State Normal School at Terre Haute. A year later he again attended the University of Chicago, returning to Indiana State in April 1909, this time as a part time student and teacher. By the end of the summer, he had another BA.

(cont. next page)

In the fall of 1909, ERNEST began teaching Latin at Wisconsin State Normal School in LaCrosse, Wi. He was a member of the first faculty of that newly formed school. He was appointed Vice-President and head of the Department of Education in 1914. ERNEST was greatly admired by his students, who affectionately called him "Daddy Long" and dedicated the 1915 annual to him. In 1923, ERNEST resigned his position to accept the presidency of Tri-State College in Angola, Indiana. He resigned in 1928 and attended George Peabody College for Teachers, Nashville, Tn., where he received his MA in Psychology in 1930. ERNEST taught psychology and courses in education at Martha Berry College, Mt. Berry, Ga., from 1930-33. He laid the ground work for expanding the junior college into a 4 year college, but the in the ensuing depression, the plans were dropped. ERNEST, MINA and their son, ROBERT moved back to Huntington to live with his family. The school authorities there asked ERNEST to set up a program of adult education, which was mostly financed with federal aid.

The LONGS moved to Jackson, Michigan, in 1934. ERNEST taught Psychology in the adult evening school and was requested to expand the program to include the large Polish population and also to set up naturalization classes. He supervised 40 teachers on this WPA project for 5 years. The project was discontinued in 1942 and ERNEST began to pursue his life-long hobby of furniture repair and refinishing. He and his wife, MINA, were both in good health in August of 1966 when they were struck by a car, while crossing a street. ERNEST died 3 Aug 1966 and MINA died 2 Sep 1966, at the ages of 94 and 84, respectively.

The children of ERNEST DALE and DEL MINA GOFF LONG were:

1. LORNA, stillborn
2. ROBERT GOFF, b. 6 Jan 1917, m. 9 Mar 1942 Genevieve Pearl Clark (see Clark file), later divorced and she m. 2nd David Brewster Nelson; ROBERT died ca 1967. The children of ROBERT GOFF and GENEVIEVE CLARK LONG were:

1. DAVID SCOTT LONG (later changed, by adoption, to David Clark Nelson, b. 10 Oct 1942, m. Doris Sue Kinch in 1962.
2. LUCINDA DALE LONG (changed to Nelson by adoption), b. 3 Nov 1944, m. John Charles Zeldenrust 22 Jun 1963.

PERSONAL NOTES

My grandfather, ERNEST DALE LONG, was a man of exceptional intellectual curiosity. He never stopped asking questions and searching for answers. Books and conversation were among his chief pleasures. He delighted in his grandchildren and I feel richer for having had his wonderful educational influence. LDZ
